ITEM 5 — OTHER BUSINESS ACTIVITIES

Investment-Related Activity

Since April 2024, Anthony G. DeCicco has been the owner and an insurance agent of RealTea Capital, Inc., an insurance and real-estate-technology business based in Philadelphia, Pennsylvania. He devotes approximately 10 hours per month to this activity, which is separate from, and in addition to, his role as an investment adviser representative of EHG Wealth Management LLC.

Conflict of Interest

Because Mr. DeCicco may recommend insurance products issued or placed through RealTea Capital, Inc. to advisory clients, he has a financial incentive to recommend those products, which creates a conflict of interest between his interests and those of advisory clients. Clients are under no obligation to implement any insurance recommendation through Mr. DeCicco or RealTea Capital, Inc., and may purchase insurance products through any agent, broker, or carrier of their choosing.

EHG Wealth Management LLC addresses this conflict through the supervisory procedures described in Item 7 of this supplement and through disclosure in the Firm's Form ADV Part 2A brochure.

Non-Investment-Related Activity

Mr. DeCicco is not currently engaged in any other non-investment-related business activity that occupies a substantial amount of his time or that involves the receipt of compensation requiring disclosure under this Item.

ITEM 6 — ADDITIONAL COMPENSATION

In connection with the other business activity described in Item 5, Mr. DeCicco receives commission-based compensation from insurance carriers, or through RealTea Capital, Inc., when clients or other individuals purchase insurance products through him. This compensation is separate from, and in addition to, the advisory fees clients pay to EHG Wealth Management LLC and creates an incentive for Mr. DeCicco to recommend insurance products based on the compensation he may receive rather than solely on a client's needs.

EHG Wealth Management LLC mitigates this conflict through its Code of Ethics, disclosure obligations, and the supervisory procedures described in Item 7 below, including the Firm's review of outside business activities and related compensation arrangements.

Other than as described above, no person or entity who is not a client provides Anthony G. DeCicco with an economic benefit (such as sales awards, bonuses tied to new assets, or other non-cash compensation) for providing advisory services to clients of EHG Wealth Management LLC.
